

ADVISORY

Dear valued clients,

Please be advised that BOC released CMO 18-2019 “Adjustment of the period of lodgement of goods declaration and payment of duties and taxes.” When SAD is cancelled and the Bill of Lading (BL) is already past the 7 days cut-off of abandonment, **the relodgement of the entry should be done within the day of the actual date of cancellation in the E2M system to avoid the abandonment of the BL.**

We thank you for your continued support and patronage.
