ADVISORY TO ALL STAKEHOLDERS

SUBJECT: SBMA DATACENTER SERVICE INTERRUPTION ON OCTOBER 4, 2023

Sir/Madam:

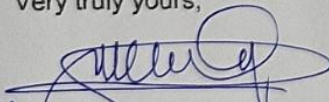

Please be informed of the Management Information Systems Office's (MISO) schedule of preventive maintenance of the SBMA Datacenter on October 4, 2023 from 5:00 pm to 12:00 mn.

Considering the foregoing, please be advised that the processing time for Gatepass Management System (GMS) tagging and exit, tagging of containers in NAVIS N4 System, tagging as released of Transshipment and evaluation and approval of Seaport Online Clearance for Inspection at all Cargo Checker Station will take longer than usual due to utilization of broadband/mobile data in lieu of digital subscriber line (DSL) connection which will be unavailable within the duration of service interruption as stated above. Normal operations shall resume after the completion of the MISO's maintenance activity.

For your guidance and information.

Thank you very much.

Very truly yours,

JEROME M. MARTINEZ
General Manager
