

EASY. EFFICIENT. ON-THE-GO.

DOWNLOAD & REGISTER TODAY!

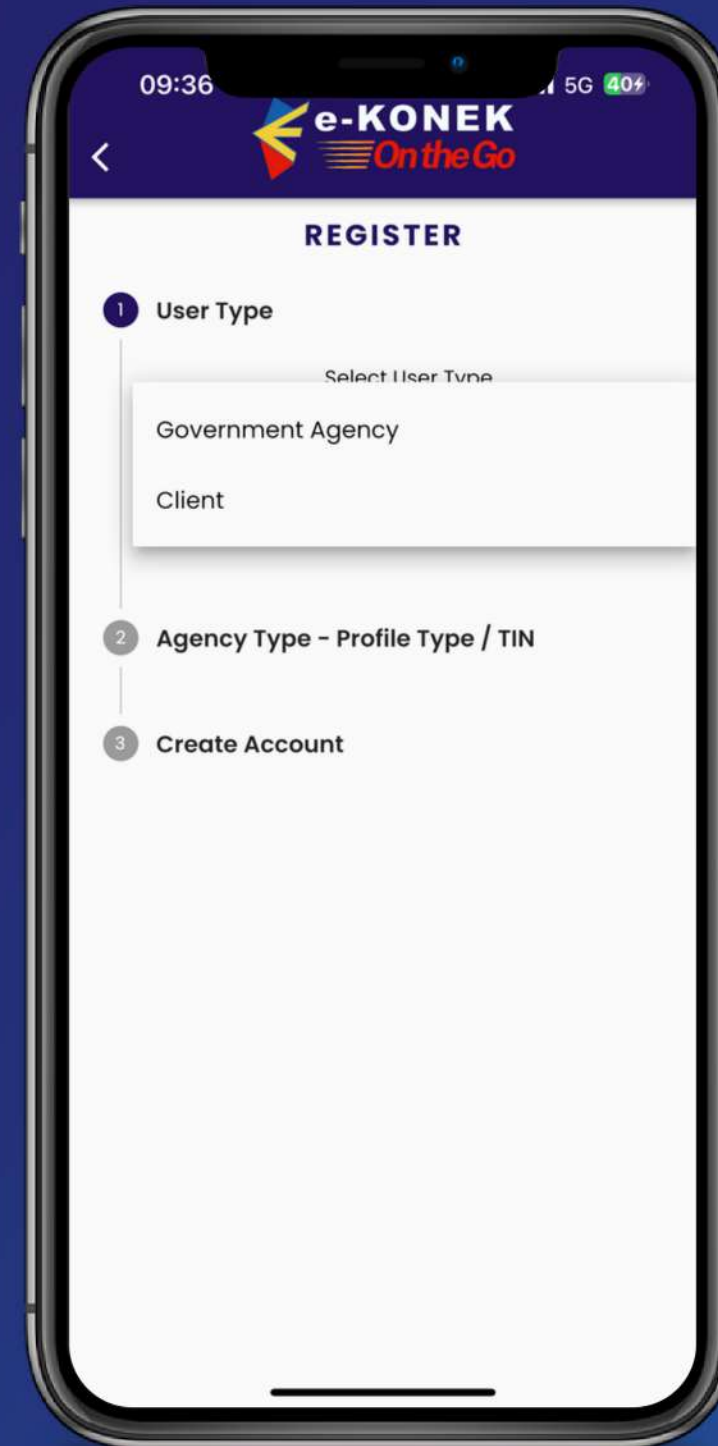

5 EASY STEPS TO GET STARTED!

STEP 1

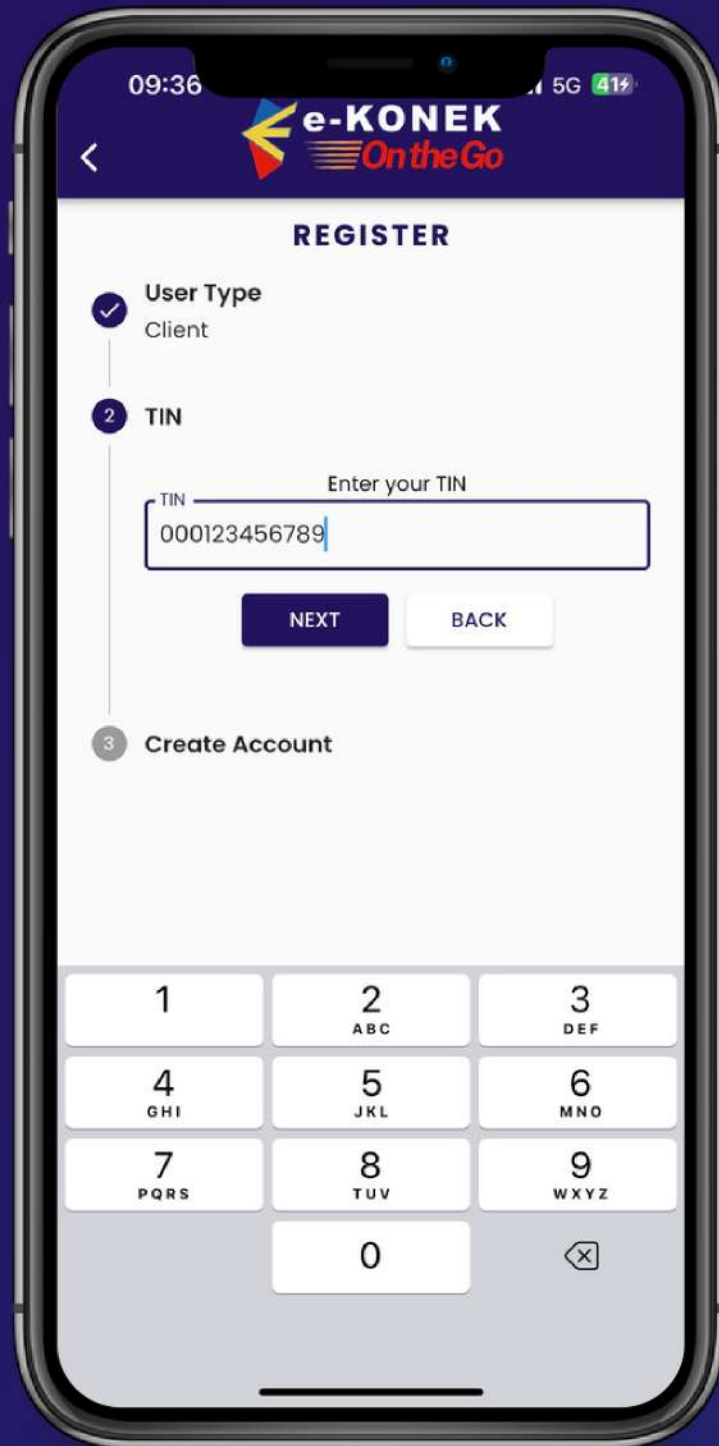

Open e-Konek On-the-Go on your mobile phone. Click on the "Register" link at the bottom of the screen.

STEP 2

Enter your User Type. Choose between "Government Agency" and "Client".

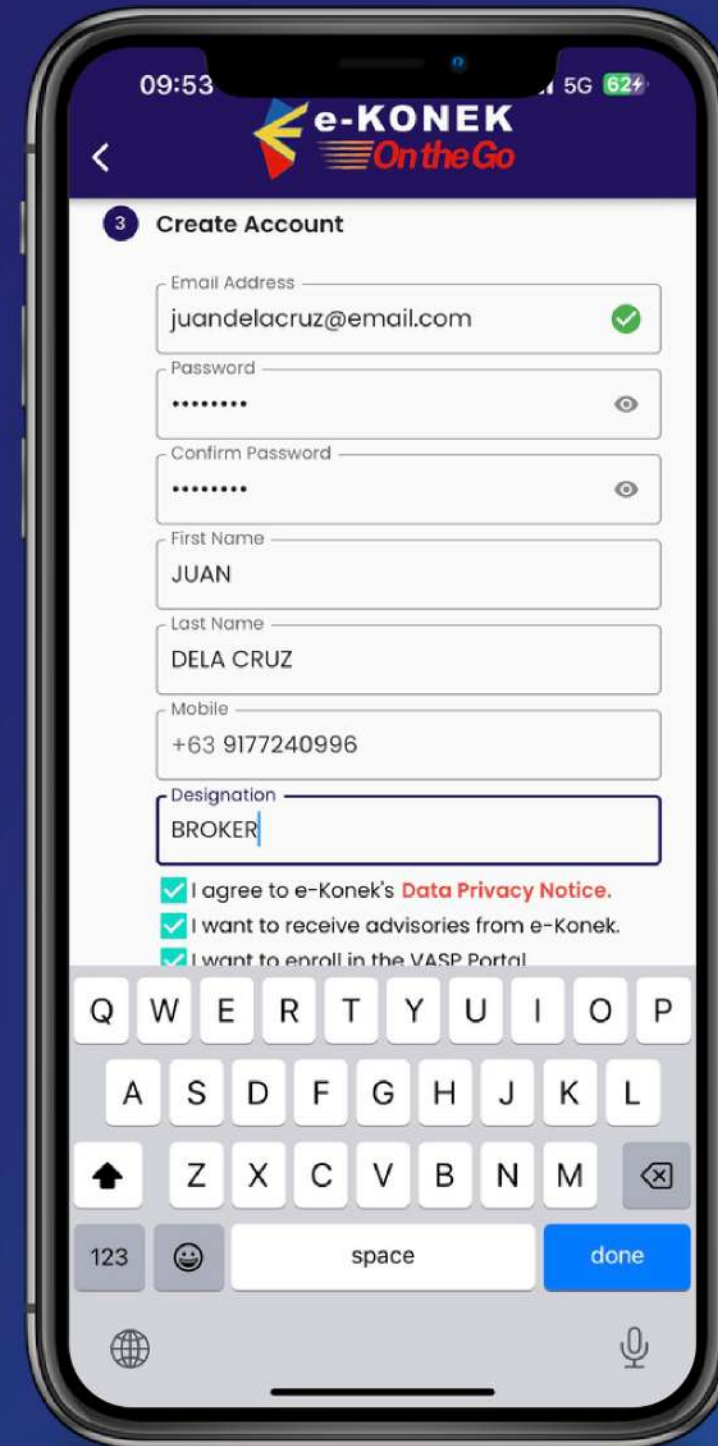

5 EASY STEPS TO GET STARTED!

The screenshot shows the 'REGISTER' screen in the e-KONEK On the Go app. At the top, the time is 09:36 and the battery is at 41%. The app logo is visible. Below the title 'REGISTER', there are three steps: 1. User Type (Client), 2. TIN, and 3. Create Account. The 'TIN' step is active, with a text input field containing '000123456789'. Below the input field are 'NEXT' and 'BACK' buttons. A numeric keypad is visible at the bottom of the screen.

STEP 3

Enter your Company TIN. The system will only accept your TIN if you are already in the Online Enrollment System (OES).

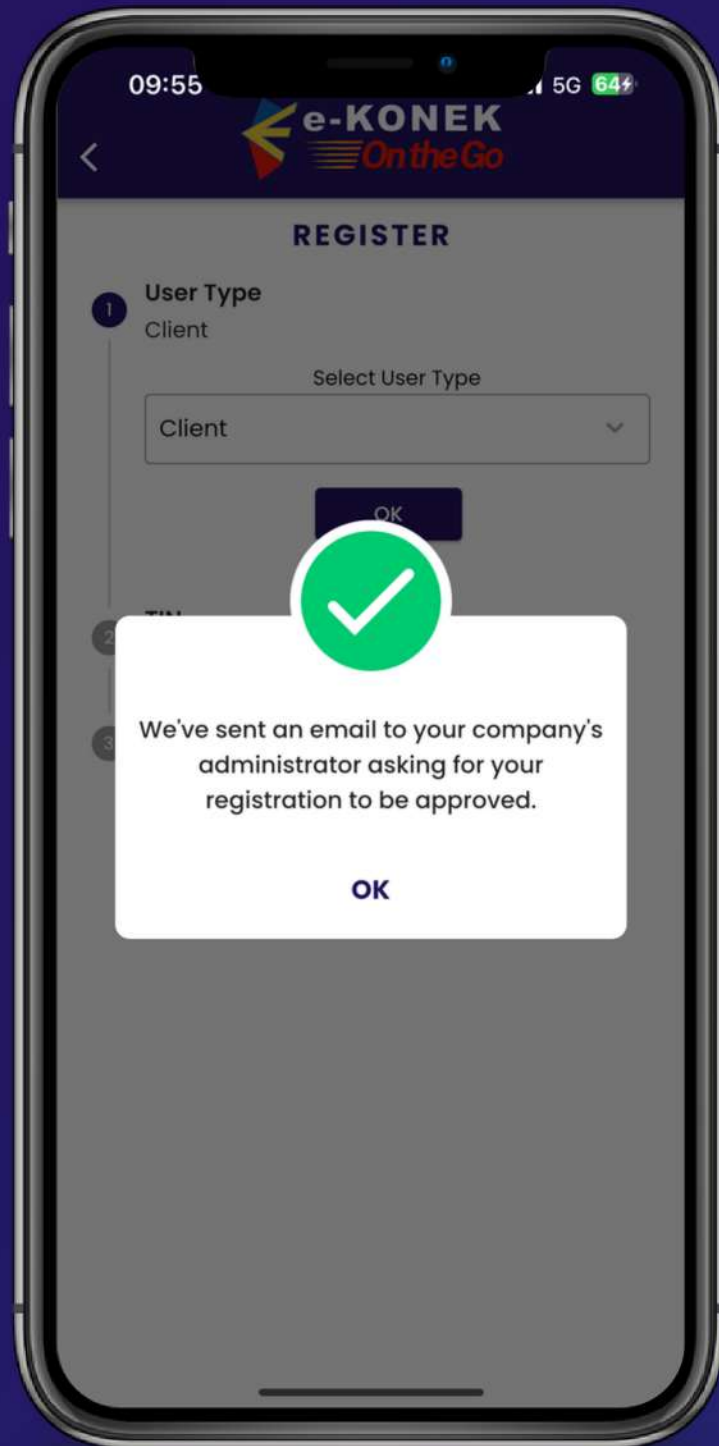

The screenshot shows the 'Create Account' screen in the e-KONEK On the Go app. At the top, the time is 09:53 and the battery is at 62%. The app logo is visible. Below the title 'Create Account', there are several input fields: Email Address (juandelacruz@email.com), Password, Confirm Password, First Name (JUAN), Last Name (DELA CRUZ), Mobile (+63 9177240996), and Designation (BROKER). There are three checkboxes at the bottom: 'I agree to e-Konek's Data Privacy Notice.', 'I want to receive advisories from e-Konek.', and 'I want to enroll in the VASP Portal.' A QWERTY keyboard is visible at the bottom of the screen.

STEP 4

Proceed by entering the rest of your personal information in the fields provided.

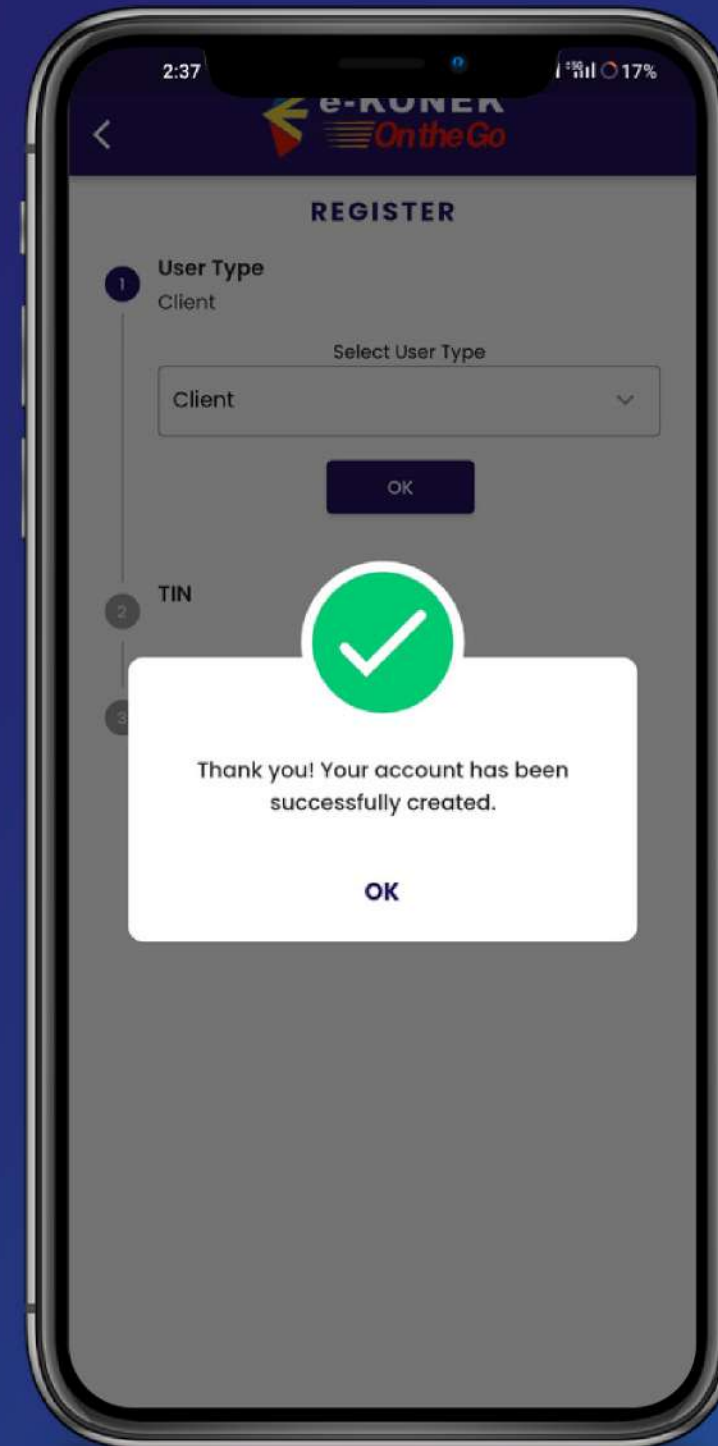

Agreeing to e-Konek's Data Privacy Notice is mandatory. The other two checkboxes are encouraged, but not required.

5 EASY STEPS TO GET STARTED!

STEP 5

If you are not the administrator of your company, you will be informed that your registration has been sent to your admin for approval. Once approved, you will be able to log into the application.

If you are the first registrant and/or designated admin of your company, the system will notify you that your account has been successfully created.

You may now log into the application on the log in page.
